

Directions to Biological Systems Engineering

To get to the **Agricultural Engineering Building** (#3 on the map) From either the East (University Ave.) or West (Johnson St.), turn north on Charter St. Turn left onto Linden Drive. The second stop sign is Henry Mall. We are at 460 Henry Mall.

To get to the **Agricultural Engineering Lab** (#4 on the map)

- **From the East:** Follow the directions to the Agricultural Engineering Building. Stay on Linden Drive (go straight through the stop sign at Henry Mall). Go straight through the next stop sign. The road will curve to the right and become Elm Drive. The lab building is on the corner to the left (540 Elm Drive.)
- **From the West:** Stay on University Ave. when it splits into Campus Drive and University Ave. Turn left at the second stoplight (Walnut St.). Turn right at the next stoplight (Observatory Drive). The first stop sign is Elm Drive. The lab is on the corner to the right (540 Elm Drive).
