

Detailed Parking Information for Ag Engineering Building

Parking for the Agricultural Engineering building is available in the Lot 20 ramp, located at 1400 University Avenue.

- Proceed to the booth attendant to purchase parking if space is available. The rate is \$7/day and \$3.50 for AM or PM only.
- Please note: University Avenue is one-way from east to west. If approaching from the west, turn from Johnson St. onto Orchard St., then turn west onto University.

Public parking is also available in the Lot 17 ramp, just west of Engineering Hall. From University Ave. or Johnson Street turn south on Randall Ave.; the first right is Engineering Drive. Turn right and proceed past Engineering hall and the 800-stall ramp will be on your left. The booth attendant sells parking at the rate of \$7/day or \$3.50 for AM or PM only.

- Please note: Johnson Street is one-way from west to east. If approaching from the east, turn left from University Ave. onto Randall Ave., then turn west onto Engineering Drive.
